

SKYLINE HEALTH VACCINE UPDATE – JANUARY 22

Skyline Health will be offering those residing in Klickitat County and Underwood, Wash., COVID-19 vaccinations when the vaccine is distributed to us. We are currently waiting patiently for additional vaccine and we ask our community to be patient as well.

Skyline is currently maintaining a waitlist for those who meet the criteria under Washington State Phase 1A or 1B. **If you qualify and are within the designated demographic, call 509-493-1051** (please refrain from calling any other Skyline Health phone number). Due to high volume, your call may not be answered immediately. You can be confident in leaving a message – a Skyline representative will get back to you ASAP. We ask you call only one time, so our system is not overwhelmed.

Those individuals, who do not meet the current criteria, please wait to schedule an appointment when your phase opens.

You can use the following resources to check your eligibility to receive the vaccine.

www.findyourphase.org

www.myskylinehealth.org

www.doh.wa.gov

www.covidvaccinewa.org

Phase 1A includes:

- High-risk health care workers in a health care setting
- High-risk first responders
- Long-term care facility residents
- All other workers at risk in health care settings

Phase 1B includes:

- All people 65 years or older
- All people 50 years or older in multigenerational households

Please note: Skamania County residents – with the exception of Underwood – should contact Skamania County Community Health at 509-427-3861 to leave a message on their vaccine sign up waitlist system.

Thank you for your patience as we continue to ensure the health and well-being of our communities.
