

About Skyline Health

Skyline Health is a community-owned and operated Public Hospital District based in White Salmon, Wash., serving the Klickitat and Skamania County regions. It is governed by a five-person community-elected Board of Commissioners and employs 160 people, making it one of the largest employers in the County. Skyline's mission is to provide an exceptional level of health and well-being in our community.

Skyline has 8,050 unique patient visits per year, and our payer mix is 48% Medicare, 18% Medicaid, 32% private, and 2% self-pay. Skyline Health primarily serves the rural counties of Klickitat and Skamania, which have a combined population of 33,000. Our patient population includes White, Hispanic, American Indian, Asian, African American, and Multi-racial. Skamania County has nearly 10% of its population living below the poverty level, with Klickitat County at more than 12%.
